Introduction

Complete Solutions for kindergarten Spaces

EDU FUN welcomes you to its catalogue, which provides a complete solution for pre-school and kindergarten education. In our catalogue you can find a full range of furniture which suits the requirements of children in their early years.

The environment children play and learn in, have a great effect on them. Therefore we believe in the importance of providing practical, suitable and comfortable designs to fulfill the demands of this critical stage. Our modular designs make it easy to set up unique configurations to suit children needs. The colourful, attractive and durable designs encourage good posture and ensure years of safe and enjoyable use. Also for your convenience they are designed so you can buy only what you need and then add on to it later. All this we offer at affordable and compatible prices.

We provide a full range of products starting with chairs, tables, storage units and reading corners passing through play corners and role play furniture ending with play screens, boards and carpets.

EDUFUN has been expanding lately. We have Subsidiaries companies in Australia, Canada and KSA beside Dubai and Egypt. Our products are available in more than 25 countries through our Distributes.

Edu-fun factory 1991

Edu-fun factory 1995

Early Steps

From 1991 *Edu-fun* has grown from a small workshop to an international Factory .

The idea of establishing a factory to produce furniture and other educational needs began with the establishment of the Manarat schools, to fulfil the need for schools and educational establishments. The 1st educational supplies factory in Egypt started in 1991 on an area of 1,000 m². With the aim of providing the furniture and educational needs for the Manarat schools and those associated with them . Due to the excellent quality of our products there was an excessive demand from local schools and international representatives.

The area of the factory has grown to 15,000 m² and we export our products to the Arab world , Africa and some European countries.

Edu-fun has been proud to equip a large number of schools kindergartens and educational institutes in the area since 1991.

Edu-fun factory 2015

Design & Manufactured by

Edu-fun design and manufactured the best educational furniture our products conform to international standards and are strong and durable .

We study the individual needs and make available educational furniture to suit all needs and ages .

We study the sizes of the human body from childhood to secondary school age and produce the furniture suitable for each stage of education (Ergonomic study) we attend to the details when producing educational furniture which is strong and durable .

Production Lines

All the products in *Edu-fun* catalogue are produced in our factories. We can produce a wide range of educational furniture depending on our factory production lines (natural wood furniture, Panel board furniture or metal furniture). More than 100 engineers & labours works at Talimia. We can produce special orders . We are proud to produce strong & durable educational furniture.

Elegance Tables

Our lines of Elegance Tables come packed-flat for your convenience. The tables are easily assembled with the simple instructions provided. When correctly assembled, our tables are solid, stable and durable. Tables come in 3 convenient heights and table-tops are available in 3 functional shapes: rectangular in 3 sizes, trapezoidal, circular and semi-circular. All our tables are modular, so they can be arranged in many different configurations. Tables have coloured, laminated M.D.F table-tops with clear lacquered beech wood frames.

Puppet Theater

Our attractive Theatre invites your child to put on a show the audience will never forget. The wooden design features a sturdy, non-tip base to protect your child and the audience, and there is plenty of room inside for a puppeteer or two. The clock features movable hands so your child can schedule the next show time, while the chalkboard panel provides space for playbill information, show times and upcoming performances. Manufactured from plywood and finished with lacquered and non-toxic colors.

91 x 35 x 167 cm modern - 21560

68 x 40 x 136 cm elegance - 21555

94 x 33.5 x 137 cm classic - 21500

Wooden Fences

Fun & functional!! These charming, beech wood "fences" will help organize play rooms, classrooms, or libraries into functional areas to better utilize space. Fences easily link together with movable safety wooden hinges to form different formations.
